Provide high quality teaching and a relevant curriculum to meet the needs of all children.

Provide as much support as we can to help our children reach their full potential.

Support our children to develop a moral and ethical compass for life, enabling them to grow up to be the best they can be.

Support all members of the School community.

As a Parent/ Carer I will....

Listen to your child talk about their day.

Regularly check Seesaw, read the Happy News and Head Teachers half-termly update. Utilise our School website to make sure I am aware of dates, meetings, policies and events my child is involved in.

Teach my child to develop a positive attitude to others regardless of age, disability, gender, race, religion or beliefs.

Read with my child daily to improve their confidence.

Support my child, to develop a moral and ethical compass for life. This will enable them to grow into empathetic and understanding humans.

At Kitchener, we believe by communicating and working together we can make our School and Community a better place.

As a School we will.....

Achieve high standards of behaviour by providing opportunities for children to develop positive social relationships, self-esteem and a sense of responsibility.

Regularly share the progress of our children through Seesaw, parent-teacher meetings, pupil progress profiles (reports).

Clearly communicate with all members of our School community and provide support where needed.

Teach our children to develop a positive attitude to others regardless of age, gender, disability, race, religion or beliefs.

As a Parent/ Carer I will....

Show respect to all staff, children and other parents. Aggressive behaviour towards other staff, children or other parents will not be tolerated under any circumstances. Your children learn from those around them, we want them to be their best self.

Help my child learn to accept that winning or having certificates is not the most important thing. It is more important that we all celebrate success together, regardless of whether your child receives an award.

Join in whole School events and activities to help build our community. By working together we can ensure respect and kindness for all and make our School an even better place for our children.

As a Pupil I will....

Take pride in my work and learning, share what I have learned during my day with my teachers and my family at home.

Show support and understanding to all children at Kitchener.

Take good care of the school building, equipment and grounds.

Tell a member of staff if I am worried or unhappy.

Be honest, show respect, act with kindness and spread joy.

We all have a voice and we are all valued
